

May 15, 1975

are concerned, because the inmate who knows he's got a mandatory discharge coming up can tell anybody in the institution, 'Go out and play in traffic. I'm going to do anything I want to'. This means that the Department of Institutions has no way of using a disciplinary tool with this person, nothing that he understands. I do not regard it as a lenient bill. I think that this would create a situation where the inmates know where they ...
